

**Paul A. Manuel, PE**  
***President***  
**Coastal Design Consultants, Inc.**

Paul A. Manuel, PE, has served as Principal and Owner of Coastal Design Consultants, Inc. for 28 years and has dedicated the past 35 years to the civil engineering profession. Paul attended the University of Florida and earned a Bachelor of Science in Civil Engineering. After graduation, he worked in a couple civil engineering-based positions, including time at Coastal Engineering Associates, Inc. the civil engineering firm founded by his father.

In 1998, Paul moved to Pasco County and started his own engineering firm, Coastal Design Consultants, Inc. (Coastal). Since its inception, Coastal has completed over 985 projects in the Tampa Bay Area on behalf of local governments, school boards, and private developers. Paul, with the support of his staff at Coastal, has maintained multiyear contracts with local municipalities, Pasco County, and Pasco, Pinellas, and Hernando Counties school boards.

Paul maintains professional affiliations with:

- Florida Engineering Society (FES)
- National Society of Professional Engineers (NSPE)
- Florida Institute of Consulting Engineers (FICE)
- National Council of Examiners for Engineering & Surveying (NCEES)
- American Society of Civil Engineers (ASCE)

His advocacy of the Pasco County community is demonstrated by his support of local non-profit charities including being a member of the Premier 1000, Philanthropy Organization of Pasco County. He is a member of Leadership Pasco (2001 Alumni) and holds leadership positions with the following organizations:

- Good Samaritan Health Clinic Board of Directors, as Treasurer
- Pasco Education Foundation, as Board Member
- Pasco Economic Development Council Executive Committee and Board of Directors, as Chairman for 2025/2026
